ORDER

14 Petitioner has not responded to the Court's prior show-cause order (#6). The order
15 directed petitioner to show cause in writing why the petition should not be dismissed with
16 prejudice as untimely. The order set forth the relevant procedural background in detail, as
17 to a petition that was filed more than a decade after the federal limitation period had expired
18 absent tolling or delayed accrual. The order further informed petitioner that if he did not timely
19 respond to the order, the petition would be dismissed with prejudice as time-barred without
20 further advance notice.

21 IT THEREFORE IS ORDERED that all pending motions are DENIED and that this
22 action shall be DISMISSED with prejudice as untimely.

23 The Clerk of Court shall enter final judgment accordingly, dismissing this action with
24 prejudice.

25 DATED: May 13, 2013.
